Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

My wife and I are both retired peace officers. We can't believe that Oregon is going to require us to take a firearms class and obtain a permit to purchase a firearm. We have hundreds of hours of firearm training. We are tired of Oregon infringing on our rights. If this nonsense passes we will be leaving Oregon.

P.S. Your so called gun safety laws will do nothing to prevent crime and harms law abiding citizens.
