

Submitter: Jerry Feakes

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Enough of this nonsense! Leave legal gun owners alone! We are not the problem, it is the scumbags that liberal judge have allowed to run free, the gang members that you will not control, illegal drug runners and people with obvious mental issues that have created the vast majority of the issues.

Do your jobs and take care of the above problems and leave the honest legal gun owners alone!!
