

Submitter: PAUL Furnari  
On Behalf Of: People capable of independent thought  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

While I know this bill's passage is a foregone conclusion, I want to stay on the right side of history and register my opposition. This bill is clearly, simply, and undeniably in contradiction to plain readings of the U.S. and Oregon constitutions, but whatever, right? The dominant party must be appeased, facts be damned.
