

Submitter: Arren Gray

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I Arren J Gray hereby vehemently oppose HB3075. It will do nothing but undermine The United States of Americas great constitution as well as cripple tens of millions of Oregon citizens, essentially making them criminals overnight. I do declare that if passed, my vote shall never fall upon all who are responsible for this horrendous misuse governmental power, and execution of Oregonians rights.
