

Submitter: William Angellford

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose corrupt law makers attempting to take away my right to defend myself from the violent criminals they are turning loose upon our streets and flooding the state with.

Violating the constitution of the United States of America and the inalienable rights it protects including the right to bear arms against a tyrannical government is a crime. Oregon law makers and beauricrats beware, your flagrant disregard for the laws our nation was founded upon will not go unnoticed. You will be punished for your crimes.
