Measure, Appointment or Topic: HB3075

I live in a rural area and I am a law abiding citizen with no criminal record. Dialing 911 is not a timely or safe option for me. If the door is kicked in, I am on my own. This is also true for most if not all city dwellers. You yourselves are not immune from criminals, and you are not safe from them either. So I ask how do you protect yourselves and your families? Do you say go away and they leave?

Please go after the criminals not law abiding citizen.

Sincerely,  
GA
