Measure, Appointment or Topic: HB3075

HB 3075 and M114 are abominations based on an ineffective governments attempts to exert control after weak policies fail to hold criminals accountable. You now lash out an anyone you can and hope that the people will be fooled by the “do something, even if it’s wrong approach. Punishing your friends, neighbors, and law abiding citizens because of your failed policies is the inevitable consequence of ineptitude and incompetence. The citizens of Oregon deserve better. The legislators that support this unconstitutional assault on our inalienable rights should resign in shame.
