

Submitter: Jason Fish

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075 is unconstitutional and should not be considered. Criminals don't follow laws. This bill will do nothing but make it harder for law abiding citizens to obtain legal firearms. My rights are granted by God and the Constitution of the United States of America. These rights are not subject to the interpretation by people of a different political view. Any action to restrict a Constitutional right is infringement on that right.
