

Submitter:

ARIC SKJELSTAD

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I am opposed this constitutional violation of the second amendment. Please See that over 99% of the testimonies' are opposed. If you are truly representing the majority of the constituents you will not allow this to move forward. If you do this will cost the taxpayers (constituents). Do not use our tax dollars in this manner.
