

Submitter: Matthew Fidler

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This is a violation of the Bill of Rights at its basest level. "Shall not be infringed". It is also a violation of OR Article 1, Section 27 of our ability to defend ourselves. The measure is an astonishing violation of basic rights, turning lawful citizens into criminals and is a massive infringement on the ability to lawfully and peaceably carry firearms.
