Any bill that infringes on a person's right is unconstitutional. Even if the Oregon constitution has lose language to allow such a bill, people keep forgetting that the US constitution is the supreme law of the land as outlined in in Artivle VI clause 2. It is our representative's sworn duty to look past their own personal bias and vote based on constitutional law. The rights of the people SHALL NOT be infringed. This bill would only further harm the citizens of oregon instead of protecting them. Criminals do not follow laws, so why do you think this bill will stop a criminal from possessing a gun? It is a ludicrous notion. Rather our representatives should be focused on bipartisan laws that help all Oregonians, not rile up half the people.
