Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

There is nothing in place for buying an extra permit to purchase firearm. There is also training in place to purchase a firearm. Without these in place you are making nearly impossible to get firearm. Thus you are infringing on our constitutional rights to bear arms. Criminals do not follow the laws, therefore this will not have any impact on them. You are only making it worse those of us following the laws.
