

Submitter:

Eric Bennett

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

HB3075-1 and BM114 are NOT constitutional. These crazy bills will only hurt the law-abiding people of Oregon. We don't NEED more gun control laws, we need to enforce the laws we already have. Please do not support HB3075 or BM-114 in any way.
