

Submitter: Darnell Rudd Mandelblatt
On Behalf Of: HB3075-1
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

I support HB3075-1 to increase and improve gun control measures.

It is not easy to talk about, or for others to hear or think about, our son's suicide.
He was 37 years old.
He killed himself in 2007 using a gun he purchased and used with few restrictions.
In a very difficult emotional time there was little requirement or availability of emotional support.
He left two young children, a wife, and many loving friends and relatives.

How much of life our son missed!
How much of his love and care his children missed as they grew up!
And how much we miss him!

We as citizens deserve safe lives.
Those we care for and about deserve our protection.
Oregon deserves laws that contribute to our well-being.

Please support HB3075-1.
Thank you!
