Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

Dear Chair and Committee,

On 3/14/25, I submitted testimony in support of HB 3075. In the text of my submission, I mistakenly referred to the bill as HB 3076. If needed by your committee, please amend my prior submission to clarify that my 3/14/25 testimony was in support of HB 3075.

Thanks, and apologies,
