Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Let it be known that I hereby inform you that I am absolutely opposed to this legislation or any other that attempts to infringe on my constitutional rights to keep and bear arms. Not only does it infringe upon those rights it makes me and other gun owners like me criminals. Our founding fathers put these protections into our constitution to keep over reaching public officials from making our other God given rights too easy to take away without a fight. Please don't be the kind of people that this constitutional amendment was put in place to protect us from. It states that "the right of the people to keep and bear Arms, shall not be infringed". HB 3075 or 3075-1 absolutely infringe those rights. Please do not move forward with this Bill.
