On Behalf Of:
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

Dear Chair Kropf, Vice Chairs Chotzen and Wallan, and Members of the Committee;

I am an Oregon voter, parent, and person of faith. I support HB3075-1. Please pass HB 3075-1 out of committee now so it is ready to support implementation of Measure 114 as soon as the court's stay is lifted.

Oregon voters passed Measure 114 to reduce gun violence. Too many lives have already been lost to gun violence, in Oregon and around our country. This is our chance to make a meaningful step forward for safety. Your support of this bill will help the vision behind Measure 114 become a reality in the most effective way possible.

The evidence is behind this measure, that these are the steps needed to reduce homicides and suicides. Moreover, the people of Oregon deserve to feel safe in their schools, grocery stores, and places of worship. We voted for common sense gun safety regulations and you have this chance to help us achieve our vision.

Please pass HB 3075-1 out of committee so we can move forward toward implementing the gun safety measure Oregonians need!

In peace,

Rev. Audrey Zunkel-deCoursey
