On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

As a retired teacher and a retired social worker, my husband and I fully support Measure 114 – strong and sensible gun laws to protect our citizens – especially our youth.

Therefore we urge you to pass HB 3075-1 out of committee, so that Measure 114 can be implemented as soon as the court's stay is lifted.

We have reviewed the research and we agree that this measure will save lives while still allowing for responsible gun ownership.

Many thanks for your prompt attention,

Claudia and Don Hutchison
