

Submitter: Janet Knapp

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Please pass HB 3075-1. We voters made our choice and now it is time for the legislature to do its job and finalize the process so Measure 114 can finally become law. Someone must take a stand and say enough. We are tired of enabling the slaughter of countless people by disturbed and or drugged individuals. If the guns are to remain then we need to take actions to at least make them less deadly!! Oregon can lead the way
