

Submitter: Wayne Connor
On Behalf Of: US constitution
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

HB 3075 is an affront to every law abiding gun owner in Oregon. It is back door gun control and communistic in every way. Shall not be infringed means shall not be infringed, why is that so difficult to understand? I understand the fear that many have, but this will do nothing but strip law abiding citizens of their constitutional rights.
