Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

To Chair Kropf, Vice-Chairs Chotzen and Wallan and Representatives Andersen, Chaichi, Lewis, Mannix and Tran,

I urge you to support HB 3075-1. I collected signatures to help get Measure 114 on the ballot. The law provides safeguards for all Oregonians. Any conscientious gun owner can accept these safeguards; they are not unreasonable heavy-handed restrictions.

When a person experiences the loss of a friend or family member through a preventable and often “heat-of-the-moment” gun-related suicide or homicide, they understand the need for fully implementing Measure 114. Please help prevent these tragedies. Please help pass HB 3075-1 out of committee.
Thank you for your service to the people of Oregon.
