Measure, Appointment or Topic: HB3075

I oppose HB 3075 in the strongest terms possible. And in particular I oppose the use, or in this case, the abuse of the emergency clause. 'SECTION 24. This 2025 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2025 Act takes effect on its passage.' Explain the me, and the people of Oregon Representative Jason Kropf, just what constitutes an emergency in your mind, who gave you the authority to declare an emergency, since no emergency existed or presently exists.

HB 3075 is clearly unconstitutional in that it violates the 2nd amendment, the 4th amendment, the 5th amendment, the 14th amendments, as well as 18 U.S. Code § 241 - Conspiracy against rights, and 18 U.S. Code § 242 - Deprivation of rights under color of law. And of course HB 3075 also violates the state constitution. I, as a legal law abiding gun owner in Oregon, do not appreciate being criminalized for having the audacity to exercise one of my inalienable rights. The politicians in Oregon, especially the democrats, seem to think that because they have a supermajority they are royalty and they no problem treating the people like subjects, to do with them as they please.

HB 3075 is wrong and Jason Kropf is wrong. It treats the law abiding people of Oregon like common criminals for wanting to exercise their inalienable rights.
