Measure, Appointment or Topic: HB3075

I am an Oregon voter and fully support HB 3775-1. Please pass this bill out of committee. I voted for this referendum and it needs to be implemented immediately. This measure will help ensure a smoother and more rapid implementation of measure 114. The voters of Oregon passed measure 114 two years ago. It is time to begin saving lives of Oregonians.

Thank you for your important vote to move this measure ASAP
