

Submitter: Annie Witherspoon

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

As a voter in Yamhill county I implore you to support HB 3075-1 and the implementation of measure 114 to reduce gun violence. We live in volatile times. Guns have their place , however, studies have shown that permits to purchase guns reduce their abuse and the numbers of homicides and suicides as well.
