

Submitter: Cole Delaney

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I helped get Measure 114 on the ballot and voted for it. While it still hasn't come to fruition, HB 3075-1 will help to ensure a smoother and faster implementation of Measure 114. Gun violence remains a pressing issue and through legal action like this measure, we can strive to lessen its impact on our communities.
