Measure, Appointment or Topic: HB3075

I urge you to support this bill, so that we can begin to fully implement the will of the voters who passed Measure 114 by 2 to 1. We have had enough of senseless gun violence.

I helped gather signatures to put Measure 114 on the ballot, and can testify to the strong feelings of many people I spoke with - their heartbreak about the loss of so many innocent lives and desperate desire for change.

It's long past time for these moderate gun safety measures.
