Measure, Appointment or Topic: HB3075

Members of the House Judiciary Committee,

My name is Brandy Steelhammer. I am a life-long Oregonian who grew up in a hunting family. I am writing in support of HB 3075-1. I know firsthand the path of destruction that gun violence leaves for individuals, families and communities. In a 15-year span, I lost 5 people to gun violence; 3 by suicide and 2 by homicide. All of them were Oregonians. Please pass HB 3075-1 out of committee immediately so Measure 114 can be implemented. The data is clear. Gun laws save lives.
