On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am submitting testimony in opposition to this measure. These laws will only infringe upon the rights of the law abiding citizens of this state and do nothing to hamper those who willfully ignore existing laws to commit crimes. Laws that require a permit or license to exercise a Constitutionally recognized right are abhorrent to the freedoms enshrined in the Constitution and are to be considered null and void.
