What is it with these liberals and elected state politicians that think a permit is going to stop criminals?... short answer is it's not!!!! There doing this to squeeze more money out of law abiding citizens. There not making Oregon any safer by doing any of this. Want to make Oregon safer?... give the police more funding! Also the 10 round magazine limit is absolutely ridiculous. As a person that lives in a rural area, people use them to hunt and keep predators away from livestock, home animals and as protection. That's why the 2nd amendment is there! You can't take any more rights away from us! You can't adjust or change the 2nd amendment. That's not their choice! That is our god given right!
