

Submitter: William Goubert

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I support common sense gun safety regulations. I was taught to shoot as a young boy and safety was the first thing taught.

Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114.

We passed Measure 114 to reduce gun violence. It's time to begin saving lives.

We have all sorts of regulations and licenses to insure safety when operating machinery, cars etc.

This is basic common sense without infringing on gun owners.

Please pass HB 3075-1

Thank you.
