Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

As an Oregonian, I am expressing my support HB3075-1. As a teenager, my life was changed forever by the loss of a close friend to gun violence. That sort of loss is something I never want anyone else to have to experience.

The voters of Oregon took a stand against this sort of gun violence when they voted to pass Measure 114. HB 3075-1 will ensure smoother implementation of this measure once the current court cases are resolved. An effective permitting system will help reduce homicides and suicides.

Please respect the will of the people and pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114.

Thank you for your time.
