On Behalf Of: HB 3075
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

I oppose this bill and any form of legislation that prevents me from exercising my 2nd amendment right to be able to protect myself. I am a female and my right to arm myself equalizes the playing field against any threat that comes at me. This and other bills like it do nothing but make outlaws out of law abiding citizens and give the bad guys more opportunities.
