Measure, Appointment or Topic: HB3075

Members of the Committee,

The 2nd Amendment to the United States Constitution says "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." and the Oregon Constitution Article 1, Sec 27 says "The people shall have the right to bear arms for the defense [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power." Both the 2nd Amendment and Article 1, Sec 27 state what government is NOT ALLOWED to do. They do not limit the people's rights, they limit the government's power. To stay within the confines of both Constitutions HB 3075 needs to be voted down. The required license and restrictions contained in this bill are facially unconstitutional.
