Measure, Appointment or Topic: HB3075

I oppose HB 3075 in Oregon because it violates our constitutional rights to bear arms. I'm concerned that it introduces a permit system that gives too much discretionary power to the police, which could lead to biased decisions on who can own guns. Moreover, I feel it fails to address the root causes of gun violence effectively and could disproportionately limit access to firearms for minority groups, exacerbating existing inequalities. It is also a waste of taxpayer money to push through laws which will just be overturned in the courts.
