

Submitter: Leslie Sizemore

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregon voter and I have been in support of HB 3075-1 and voted for it. It is about time we did something positive to help save lives. I am tired of hearing about school shootings and then politicians offering "thoughts and prayers". I want to see action on this measure...it will be a more meaningful message to parents and families and honor the innocent victims.
