

Submitter: William Mc Bride

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075-1 is an extremely flawed attempt to make firearm ownership overly and unlawfully difficult up to and including nearly impossible for the law abiding citizen.

No effort has been made by the Democrats to stop the main and most compelling reason behind gun violence, which is mental health issues and desperation brought on by poverty/desperation.

Democrats are out of touch with reality, they place themselves above others by feeling as if they are the all knowing and thus the only ones capable of solving problems. Problem is, they don't solve the problems they simply say what needs to be said to appease and keep the money flowing.
