Measure, Appointment or Topic: HB3075

As a law-abiding veteran, citizen of this state and nation I strongly oppose HB 3075 and Measure 114 legislation! We already have gun laws in place and this bill is a waste of tax payers money that can be used elsewhere in the state. Quit punishing gun owners with this unconstitutional power grab on our God Given Right! This is just another way to take away more of our rights as citizens and increase revenue for the state. This legislation will put more burden on our law enforcing agencies which will take resources away from our already depleted departments that are protecting our communities.

Please do the right thing for law-abiding gun owners in this state who DON'T commit crimes. We also need a voice at the table!!

Sincerely,
Jerry Jones
