

Submitter: Richard Bryan  
On Behalf Of: Myself  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

Dear Sir or Madam

I'm 72 years old and I've been a responsible gun owner since childhood. I don't think you should impose restrictions on people like myself who owns firearms for sports and protection. Instead you should be concentrating on stricter enforcement of laws that prevent criminals, illegals, etc. from obtaining firearms to start with. I oppose HB 3075.

Thank you.

Richard Bryan
