I copied this testimony from another amazing involved citizen, but since his words were so moving and so encapsulated my thoughts and feelings I thought I'd just ditto his words

'The Legislature is making a mistake if they pass this law. Converting a right into a privilege/license is unconstitutional (Murdock v. Pennsylvania 319 US 105). "if a state converts a right (liberty) into a privilege, the citizen can ignore the license and fee and engage in the right (liberty) with impunity. (Shuttlesworth vs City of Birmingham Alabama, 373 US 262)

Keeping a record of firearms transactions is illegal.

While Oregon's Judges may think this is allegedly constitutional, the 2nd Amendment still stands.

This legislation is wrong, flawed, and will cost Oregon money via lawsuits.

I could write until I am blue in the face. The issue is that my words fall on deaf ears, blind eyes, disinterested parties that are simply communists and un-American. You can live on your knees. I, however, will not.'
