Measure, Appointment or Topic: HB3075

I am strongly opposed to HB 3075 and the further dividing of citizens in the State of Oregon based upon emotions and social feelings we all know this bill is a political move based on made up lies and not true facts. I would also urge you all to reconsider your true motives behind this bill. The Converting of a Right into a privilege or a license is actually unconstitutional (Murdock v. Pennsylvania 319 US 105). "if a state converts a right (liberty) into a privilege, the citizen can ignore the license and fee and engage in the right (liberty) with impunity. (Shuttlesworth vs City of Birmingham Alabama, 373 US 262)

Thank you.
