

Submitter: Lynn Rouse

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I strongly oppose bm 3075 this measure is plain and simple unconstitutional. I am sick and tired of Oregon constantly attacking my second amendment rights. Oregon is struggling financially as it is, implementing this measure would be very expensive. Oregon needs to focus on other more important issues. Bm 3075 would only hurt the law abiding citizens.
