I oppose Measure 114 in Oregon because it violates our constitutional rights to bear arms. I'm concerned that it introduces a permit system that gives too much discretionary power to the police, which could lead to biased decisions on who can own guns. Moreover, I feel it fails to address the root causes of gun violence effectively and could disproportionately limit access to firearms for minority groups, exacerbating existing inequalities.

Furthermore, no political party or government body should be limiting or denying access to any group of people whom are wanting to access their rights. Especially now when the media and the Democrat party keep insisting that our rights, our democracy and our republic are in danger.
