Measure, Appointment or Topic: HB3075

I write as the longest serving rabbi in Portland's Jewish community - 30 years - and I am emeritus at Havurah Shalom. I support this bill, because it represents common sense gun control, permits people who want to have guns to have them, and guards against dangerous weapons falling into the wrong hands. Mostly, I am concerned about the plague of lethal violence in this country and want to do something about it. None of us should be "standing idly by the blood of our neighbors". Let's get together on this - pass HB 3075-1.
