

Submitter: Jane Monnette

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I categorically oppose this bill and any other bill that affects my 2nd Amendment rights to own, transfer and use a firearm. Ballot Measure 114 is unconstitutional and it may take the Supreme Court to decide that given the progressive judges we have in this state.

Stop this bill.

Thank you,

Jane Monnette
