Being a disabled senior on a fixed income I find that that the 160 dollar permit to purchase fee would cause undue hardship on seniors. I don't see any type of reasonable accommodation for seniors and the disabled to be able to protect ourselves. Also are any of the permitting agencies ready for the implementation of this bill. With the state strapped for cash so to speak how will this be paid for. And what of the criminals who commit crimes with stolen firearms any enhancements for the criminals. We are dead last in the nation for treatment of our mentally ill. We really need to go back to the drawing board with this bill. Thank you Greg Meyer Donald Oregon
