

Submitter: Andy Harris
On Behalf Of: Oregon Physicians for social Responsibility
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

To members of the House Committee on the Judiciary:

I urge you to pass HB 3075-1 out of committee in order to implement M114 as soon as the court's stay is lifted. The "-1" amendment will be helpful in implementing M 114.

Studies show that permits to purchase, like the one in Measure 114, will reduce homicides and suicides. This is a high priority for Oregon Physicians for Social Responsibility, as it is for most Oregonians.

As a grandfather of seven grandchildren, I am grateful for whatever will keep our schools and streets safer from gun violence.

Thank you for voting to pass HB 3075-1.

Andy Harris, MD
