

Submitter: Sandra Springer

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I helped to get HB 114 on the ballot and voted for it.

Please help to get this bill implemented.

It is an important piece of legislation and its implementation is very important in decreasing gun violence and saving lives and preventing needless injury and death.

Thank you for considering my support of this HB 114.

Sincerely,

Sandra Springer
