

Submitter: Jody Grow

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Hello my name is Jody Grow and what your doing is wrong and unconstitutional. You are turning law abiding citizens into criminals and this will do nothing to stop the real criminals. The lies that let this come into place amaze me and you all should be ashamed and let s as lone you have had almost three years to implement the permitting process but yet there's still nothing set up so you plan to hurt 100's of small FFI businesses . This also should void this bill from our state.

Sincerely

Jody Grow
