

Submitter: Derek Redding  
On Behalf Of: HB3075  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

This measure will do nothing but punish law abiding citizens by restricting our constitutional rights and do nothing to stop criminals. You and those who are in support of this and 114 are mistaken on what you were elected to do. The way these measures are written and every process involved with them is despicable. You are not protecting our rights and do not represent American values.
