

Submitter: Mitch Warren

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I write this in opposition to HB3075.

This bill is not meant to make Oregonian any safer, it's meant to disarm the law abiding citizens. The criminals already don't follow the law and illegally possess firearms. They will continue down that path as if there was no new law. But you will make the current law abiding citizens now criminals because you want to take away our Right given to us by the Constitution.

Please vote against this House Bill.
